¹ Account Fees are due at the time the account is established, are calculated and billed monthly and can be pulled from the wallets, if requested. Holding Fees, including applicable wallet fees, may also be pulled from the wallets, if requested. Fees are not prorated. If you choose to invest in other assets alongside digital assets, then additional fees will apply.

² Standard and Specialized Services are not prorated and are charged as they are incurred. These fees may be charged to a credit card or paid from available cash in the account (there must be adequate cash in the account to cover the charge). For an asset purchase, if you request the fees to be paid from available cash and the account's available cash is insufficient to cover the charge, Kingdom Trust reserves the right, at its discretion, to reduce the amount sent for the investment by the fee amount due.

³ Account Setup Fees are normally a one-time charge unless also charged for reprocessing due to incomplete/incorrect application or account reopening due to Account Holder error (if notified within a month of account closing). This fee is due at the time the account is established.

⁴ Transaction Fees are charged upon each occurrence.

⁵ This fee would also be charged for any asset exchange.

⁶ Transfer Out Fees are charged at the time of processing. Please ensure you have sufficient cash in the account or have authorized payment via credit card to cover the fee.

⁷ Overnight mail or rush requests do not guarantee same-day processing. Rush requests will ensure processing within 2-3 business days from receipt of paperwork in good order. Same-day guarantees must be requested by 10:00 a.m. Central, with all paperwork in good order, to ensure same-day processing.

⁸ Late Asset Valuation Fees are charged if the request for annual valuation is not received by the required/requested deadline.
