

Kingdom Trust API Documentation

The purpose of this REST API is to provide firms with an efficient and secure method for onboarding Customer Accounts.

Outline

- Authentication Credentials
- JSON Outline
- Field Name / Value Pair Options (Requirements)
- Sample JSON string
- Sample Postman cURL
- Legal

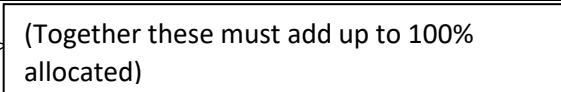

Authentication Credentials	Requirements
URL with Version	https://kt-api.clearstratus.com:443/api/CreateAccountV3R0
apikey	Temp key will be issued for Testing. Perm key will be issued for Live
IP Address	Required for Testing and Live

JSON Outline		
Primary Account Data	One Record Per Account	ALL Fields Required
	middle_name, address2	Required – provide “None” if blank
	For the first time a customer is sent, the account_number field needs to show “new”. Subsequent submissions of that same customer require the same account_number sent in that was received for first submission.	Required
Beneficiary	Multiple Records Per Primary Account Possible	Optional to provide – if provided then all fields are Required.
Interested Party	Multiple Records Per Primary Account Possible	Optional to provide - if provided then all fields are Required.
ADR	Multiple Records Per Primary Account Possible	Optional to provide - if provided then all fields are Required.

Requirements

Field Name / Description	Field Value / Requirements - Do not provide what is within ()
account_id	(Your systems customer account ID. If it is a returning customer, send back same number you sent the first time.)
account_number	new (For new API customers, Kingdom Trust assigns this number if this is the first time this new customer is sent in for purchasing. OR If you are sending in that same customer again for purchasing another account type. It is required that the account_number that was sent back upon the first purchase of that customer’s new account type be resent back on any subsequent API submittals. Examples of account_number sent back: "account_number": " TKJ0000209", "account_number": "RGM0000061", "account_number": "PDS0000007")
us_citizen	Yes (must be a US citizen to open account)
account_type	ITradIRA (Individual Traditional IRA type account)

	IRothIRA (Individual Roth IRA type account)
	ISEP IRA (Individual SEP IRA type account)
	ISolo (Individual Solo 401(k) type account)
	ISimple (Individual Simple type account)
	ICustodial (Individual Custodial type account)
married_status	Married
	UnMarried
id_type	State DL
	State ID
	Passport
id_issued_date	YYYY-MM-DD (Date it was issued)
id_expired_date	YYYY-MM-DD (Date it expires)
id_score	(Scoring value from Affiliate's Customer Authentication Process)
transaction_type	Domestic
	International
	Both
type_of_investment	stocks, bonds, mutual funds, etc.
	other alternative investments
	private lending/promissory notes
	private equity
	private hedge funds
	single-member LLC
	precious metals
	crowdfunding
	marketplace lending
	perth mint
	cryptocurrency and digital assets
signature_agreement	I agree
state	(Upper case two letter - 50 states)
zip	(5 digits)
country	United States
phone	(10 digits with hyphens)
email	(Must include @, ., and 2 or 3 letter top-level domain ".com", etc.)
birth_month	(Two digits)
birth_day	(Two digits)

birth_year	(Four digits)
Social	(9 digits without hyphens) (When a Test account, use “000000000” or “999999999”. Do not use real SSNs when Testing.)
[Beneficiary] social or Don’t know SSN flag	(Provide beneficiary’s social for example “123456789” and “None” for the SSN flag OR provide the don’t know it SSN flag as “Yes” and provide “00000000” for the social field. Do not use real SSNs when Testing.)
[Beneficiary] relationship	Spouse
	Parent
	Child
	Other
[Beneficiary] type	Primary-Spouse 
	Primary
	Contingent (must add up to 100% allocated)
[Beneficiary] percent_allocated	(Must add up to 100 percent for each beneficiary type - no “%” symbols and no decimals)
[Beneficiary] first_name, middle_name, and last_name or EntityName	(Provide first, middle, and last name OR provide an Entity name when “Other” is chosen as the relationship). None (Provide “None” when leaving blank)
[Beneficiary] address2	None (Provide “None” when leaving blank)
[Beneficiary] country	United States
[Interested Party] country	United States
[ADR] country	United States

- Please note that if you are married, list your spouse as the first beneficiary person and choose “Spouse” for your relationship and “Primary-Spouse” as your beneficiary type. If you do not, your spouse will be required to sign later.
- When you send in a **Test** account, use a SSN like “000000000” or “999999999”. Same for other numbers like Driver’s License numbers use fake examples like “DR123456”. Do not use real Social Security Numbers or other sensitive information when Testing.

API Response Examples

Success Reply (200) Success

```
{
  "success": true,
  "account_holder": "1199 Joe Bert Smith",
  "account_number": "TJK0000209"
}
```

Bad Request (400) Error

```
{
  "Message": "The request is invalid.",
  "ModelState": {
    "apiModel.account_type": [
      "The account_type field is required."
    ]
  }
}
```

Bad Credentials (403) Forbidden

```
{
  "message": "Invalid authentication credentials"
}
```

Bad Request (404) NotFound

```
{
  "account_number": "new",
  "message": "There is already an account created for this email address. Must send the account_number that you sent in before for this account holder."
}
```

Bad Request (500) Error

```
{
```

```
"message": "Bad Request"
}
```

Legal

1. By accessing and providing information to The Kingdom Trust Company you both acknowledge and agree that you are engaged in business activities in which it is or may be crucial to develop and retain confidential and proprietary, trade secret, trademark, copyright, and other confidential information (collectively, “Confidential and Proprietary Information”). Accordingly, you shall not at any time, either directly or indirectly: (i) divulge or convey any Confidential and Proprietary Information to any entity or individual, except as may be expressly authorized in writing by The Kingdom Trust Company or an The Kingdom Trust Company’s authorized representative; or (ii) use any Confidential and Proprietary Information of The Kingdom Trust Company for your own benefit or the benefit of any entity or individual other than the other The Kingdom Trust Company from whom such Confidential and Proprietary Information was obtained. The Confidential and Proprietary Information to which the you may have access shall include, but is not limited to, all trade secrets, proprietary matters, business procedures, customer lists, needs of customers, processes and all matters which are competitive and

confidential in nature and any and all information not specifically defined in Paragraph 2 below.

Notwithstanding the foregoing paragraph, you may disclose information as compelled by subpoena or similar order issued by a court, governmental agency or quasi-governmental agency of competent jurisdiction. In the event that such subpoena or order is received you shall provide a copy of the same to The Kingdom Trust Company and allow The Kingdom Trust Company the opportunity to contest the subpoena or order if they deem such contest appropriate prior to disclosure of the requested information.

2. The term Confidential and Proprietary Information shall not include information that: (a) is or hereafter becomes generally available to the public through no fault of the receiving Party; or (b) is in the possession of or was known to the receiving Party without restriction prior to disclosure; or (c) is disclosed to the receiving Party on a non-confidential basis by a third party which is entitled, to the best of the receiving Party's knowledge, to make the disclosure; or (d) is or was independently developed by employees or agents of the receiving Party without reference to or use of any information disclosed hereunder; or (e) is approved for disclosure by the disclosing Party.
3. All records, papers, documents, materials, and electronically stored data kept, made, or received by The Kingdom Trust Company from the disclosing Party in the performance of any duties during the Relationship, or generated for, in the course of, or in connection with the disclosing Party's company business (collectively referred to as Company Property), whether or not containing Confidential and Proprietary Information, shall be and remain the exclusive property of the disclosing Party at all times during and after the Relationship, without regard to how the receiving Party came into possession of any Company Property or whether the receiving Party played any role in creating any Company Property. The receiving Party shall not destroy any Company Property, whether during or after the Relationship, except as expressly directed for the purpose of performing services on behalf of the Party owning the Company Property. Upon the termination of Parties relationship at any time and for any reason, or upon the disclosing Party's request at any time and for any reason, the receiving Party shall promptly return all Company Property to the disclosing Party, without keeping any copy of any such Company Property.
