

also take a charitable deduction on his or her tax return.

This provision is effective with respect to distributions transferred directly to a qualified charity beginning in 2006 through the end of 2009. The Tax Relief, Unemployment Compensation Reauthorization, and Job Creation Act of 2010 extended Qualified Charitable Distributions for 2010 and 2011 under the same rules that originally applied. Eligible taxpayers who make a Qualified Charitable Distribution during January 2011 may elect to treat such Qualified Charitable Distribution as made on December 31, 2010. On January 2, 2013, the President signed the American Taxpayer Relief Act of 2012 (“ATRA”) which extended QCDs through the end of 2013 and on December 16, 2014, the President signed the Tax Increase Prevention Act of 2014 to extend QCDs through the end of 2014 only. On December 18, 2015, the Protecting Americans from Tax Hikes Act of 2015 (“PATH”) was signed into law and extended QCDs permanently retroactively for the 2015 year.

Although the Roth IRA trustee or custodian must pay the Qualified Charitable Distribution directly to the qualified charity, the taxpayer is responsible for substantiating and reporting the Qualified Charitable Distribution on his or her Federal income tax return. The trustee or custodian of the Roth IRA will report the amount transferred on IRS Form 1099-R as if the Roth IRA owner withdrew the money. After the Roth IRA trustee or custodian issues the payment in the name of the charity, the trustee or custodian may deliver the payment to the Roth IRA owner, who then would deliver the payment to the charity.

**Qualified HSA Funding Distribution** - Beginning for contributions made for 2007 and thereafter, a special one-time, tax-free transfer from a Roth IRA to an HSA is permitted. This one-time transfer counts toward the eligible individual's HSA contribution limit for the year of the transfer.

Prior to 2007, if a Roth IRA owner wanted to use the money in a Roth IRA to make an annual HSA contribution, any nonqualified distribution from the Roth IRA was taxable (to the extent attributable to the earnings) and subject to the 10% additional tax if the individual was under the age of 59½. Prior law did not provide for a tax-free transfer from a Roth IRA to an HSA.

Beginning for annual HSA contributions made for 2007 or thereafter, an HSA -eligible individual may make an irrevocable once-in-a-lifetime, tax-free “qualified HSA Funding distribution” from a Roth IRA to an HSA, subject however to strict requirements. The amount of the HSA funding distribution must be made in the form of a custodian-to-custodian transfer from the IRA to the HSA. The amount of the transfer cannot exceed the maximum HSA contribution limit for the year that the amount is transferred. Consequently, this one-time transfer from a Roth IRA to an HSA counts toward the individual's total HSA contribution limit for the year depending upon the type of coverage under the HDHP (self-only or family).

## **FEDERAL ESTATE AND GIFT TAXES**

Generally there is no specific exclusion for Roth IRAs under the Federal estate tax rules. Therefore, in the event of your death, the value of your Roth IRA will be includible in your gross estate for Federal estate tax purposes. However, if your surviving spouse is the beneficiary of your Roth IRA, the value of your Roth IRA may qualify for the marital deduction available under Section 2056 of the Internal Revenue Code. A transfer of property for Federal gift tax purposes does not include an amount which a beneficiary receives from a Roth IRA plan.

## **IRS APPROVAL AS TO FORM**

This Roth IRA custodial agreement has been approved by the Internal Revenue Service as to form. This is not an endorsement of the plan in operation or of the investments offered.

## **ADDITIONAL INFORMATION**

You may obtain further information on Roth IRAs and traditional IRAs from your District Office of the Internal Revenue Service. In particular, you may wish to obtain IRS Publication 590 (Individual Retirement Arrangements).
