For Single-Member LLCs, Private Lending or Private Equity

TO BE COMPLETED BY LLC MANAGER, BORROWER OR INVESTMENT SPONSOR: Prior to funding the investment described below for your account (the "investment"), the named representative must agree to all of the following. For a private lending investment, this is to be completed by a duly authorized representative of the borrower, or the borrower if he or she is an individual. Otherwise, the representative would correspond to the entity into which the investment is to be made (the "entity"), either the LLC Manager (when investing into a single-member LLC) or the Investment Sponsor (for a private equity investment).
